After logging into USOSWeb, go to the "My USOSWeb" page.

Welcome to USOSweb of Adam Mickiewicz University, Poznań

The site is intended for students and employees of Adam Mickiewicz University, Poznań. Start using the system by entering your login and password.

Please note **that the system password is the same for all services at AMU** (email, USOSweb, access to Eduroam), and because of that **you can change your password in one place only** - User Panel AMU-NET. If you forget your password, please contact the appropriate dean.

We would also like to remind you that data synchronization with the main university USOS database starts every day at **1.00 a.m. - during this time, the system is unavailable!** Please note that the information entered on a given day is visible in UsosWeb only after the data migration.

On your "My USOSWeb" page under the current academic year/semester, find the right course on your current teaching list (you need to know the course's name or code).

Once you've found the right course, click on the link like "classes" (Pol. "ćwiczenia"), "lecture" (Pol. "wykład"), "discussion seminar" (Pol. "konwersatorium") etc. (which corresponds to the type of class used for this course).

This will take you to the page with the name list of the students registered for this course (group).
